Re: Notice of Ex Parte Presentation
RM-8811

Dear Mr. Caton:

On February 12, 1997, undersigned counsel to BizTel, Inc. ("BizTel") held separate conversations with Cecily Holiday, Deputy Chief of the Satellite & Radiocommunication Division of the International Bureau, Damon Ladson, of the International Bureau, and Robert James, Assistant For Microwave Services, Wireless Telecommunications Bureau. The topic of each conversation was a review of issues previously raised in the above-referenced proceeding that generally relate to the accommodation of terrestrial fixed and satellite service spectrum requirements in bands between 30 GHz and about 50 GHz, in light of recent developments in the international regulatory arena.

Pursuant to Section 1.1206(a)(2) of the Commission's Rules, one copy of this letter is being submitted herewith. A copy of this letter is also being simultaneously delivered to the above-mentioned Commission representatives.

Kindly direct any inquiries relating to this submission to the undersigned.

Very truly yours,

Walter H. Sonnenfeldt
Counsel to BizTel, Inc.
