Dear Sirs,

I wholly Support RM-9242 LPFM.
I urge you to pass this much needed Service in Our "immediate neighborhoods."

a Low Power FM radio station will indeed serve a small Community / neighborhood very well in a Variety of interest that would truly benefit the area's LPFM may Serve.

Please approve RM-9242.
a Service that would benefit many.
We, the people are Hungry for this type of Radio Service

Thank You.

Dear F.C.C.,

I support RM-9242 LPFM. Our communities throughout desires such a low power radio service because of the benefits that may derive in our neighborhoods with such a service. A service, that no other station can serve in a way that LPFM can. I urge you to approve RM-9242 LPFM.

Thank You Very Much,
