> Hello Joey,
>
> I have been in contact with several people from the Federal
> Communications Commission regarding your application for a broadcast
> license, and I am told that you did not fill out the application
> correctly. Before you find fault with the Federal Communications
> Commission and their application procedures, you must first follow the
> guidelines and procedures that the agency has set forth.
>
> I must also address the large amounts of e-mail messages that you
