My name is Vivian and I writing this letter from my heart. I am an elderly person in the mean time a shut in, just out of the hospital. Don't get me wrong I am not asking nothing for myself, I am asking for me and thousands of people like me that are in the same boat. We are asking and praying that we need a Hispanic station here in K.C. Michael G has been the only person that I know that has tried. He loves his people and wants

to do something about it.
We need a station that
bring news to our people
that don't understand English.
We want to know what's
happening in the outside
world in Spanish. When
news happen we can always
says were heard "Mike" on
the mexican station. Please
try and see our point of view.
We will be so grateful if
it does happen. Michael
is doing what nobody else
has done, and we all love him.
I will close please listen
to our pleads.

A concern citizen
