William E. Kennard
Chairman
Federal Communications Commission
1919 M St., NW
Washington, DC 20554

RM-9242

Dear Chairman Kennard:

I am writing to express my support for micropower radio stations. While theoretically, the airwaves belong to the public, it is too expensive and onerous in practice to launch even a small local station. This impedes free speech.

I support stations like San Francisco Liberation Radio and Free Radio Berkeley. Even when I disagree with views they express, I support their right to exist and broadcast. Please stop trying to shut down micropower stations.
