Re: Notice of Ex Parte Presentation; CC Docket No. 96-98; CS Docket 95-184; IB Docket No: 97-95

Dear Ms. Salas:

On January 7, 1999, Barry Ohlson and the undersigned, on behalf of *WinStar Communications, Inc.* ("WinStar"), met with Dan Connors of Commissioner Ness's office. During the meeting, we discussed WinStar's positions on record in the above-captioned proceedings that state certificated, facilities-based Competitive Local Exchange Carriers (CLECs) should be allotted non-discriminatory access to buildings and rights-of-way and negotiations on the terms of reasonable compensation can occur post-entry. WinStar also addressed the need for clear protection of licensed fixed service operations from proposed commercial fixed satellite service operations in the 38.6-40.0 GHz. Pursuant to Section 1.1206(a) of the FCC's rules, 47 C.F.R. § 1.1206(a), we are filing with the Secretary an original and six copies of this notice of *ex parte* presentation.

Should there be any questions regarding the above, please do not hesitate to contact the undersigned at 202-833-5678.

Very truly yours,

Joseph M. Sandri, Jr.
VP & Regulatory Counsel

cc: Dan Connors
