Re: WT Docket No. 02-55

Dear Ms. Dortch:

On Thursday, March 27, Mark Crosby and Michael Gottdenker of Access Spectrum, LLC, ("Access Spectrum") met with John Muleta, Catherine Seidel, David Furth, Michael Wilhelm, D'Wana Terry and Shellie Blakeney from the Wireless Telecommunications Bureau, to discuss the above-captioned proceeding. Bob Pettit and I, both from Wiley Rein and Fielding, also attended this meeting. Mr. Crosby and Mr. Gottdenker offered their perspectives on some of the proposed recommendations to resolve 800 MHz interference issues. These same perspectives were previously detailed to the Commission in Access Spectrum's comments filed on February 10, 2002 and February 25, 2002 in this same proceeding.

Pursuant to Section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. §1.1206(b)(2), one copy of this letter is being filed electronically for inclusion in the public record of this proceeding. If you have any questions regarding this filing, please contact me at the above number.

Sincerely,

/S/ Michael A. Lewis
