Dear Ms. Dortch:

On Thursday, June 13, 2002, Robert Foosaner, Senior Vice President, Nextel Communications, Inc. ("Nextel"), Larry Krevor, Nextel's Vice President for Government Affairs, Leonard Cascioli, Nextel's Vice President for RF Engineering and Operations, and I met with Thomas Sugrue, Chief of the Wireless Telecommunications Bureau, Kathleen Ham, Deputy Chief of WTB, Michael Wilhelm from WTB, and Shellie Blakeney from WTB regarding the Commission's above-captioned rulemaking on public safety communications in the 800 MHz band. During our meeting, we discussed issues raised by Nextel in its May 6, 2002 comments in this proceeding, including the urgent need for additional public safety spectrum in the 800 MHz band and Nextel's proposed solutions to CMRS – public safety interference.

Pursuant to section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. § 1.1206(b)(2), an original and one copy of this letter are being provided to you for inclusion in the public record of the above-referenced proceeding.

Sincerely,

/s/ Regina M. Keeney
