FOURTH AMENDMENT TO APPLICATION FOR CONSENT TO TRANSFER CONTROL AND PETITION FOR DECLARATORY RULING

Global Crossing Ltd. ("GCL") and GC Acquisition Limited ("New GX" and, together with GCL, "Applicants") submit this amendment to their Application for Consent to Transfer Control and Petition for Declaratory Ruling (the "Application"). Applicants request approval to transfer control of Equal Access Networks LLC ("EAN") and the common carrier radio licenses it holds to New GX as part of the Amended Transaction. Applicants also request that their Petition for Declaratory Ruling be modified to permit EAN to have the foreign ownership described in the Third Amendment to the Application.[1] Applicants only recently became aware of GCL's controlling interest in EAN and the regulatory implications of the licenses it holds, and filed this submission as soon as all facts were ascertained and other procedural steps were

[1] Attached are copies of Form 603 (Exhibit 1) and (2) Form 602 (Exhibit 2) filed on June 28, 2003 and June 29, 2003, respectively. Exhibits B and C to Form 602 are copies of the Application and the Third Amendment and are therefore not included with this filing.

complete.[2] As discussed below, the addition of EAN to the Application is a minor change and raises no new issues with respect to the Commission's public interest analysis. Nevertheless, Applicants regret any inconvenience to the Commission.

EAN is a Delaware company that provides voice and data services to business customers in western Massachusetts and New Hampshire. EAN holds twenty common carrier point-to-point microwave licenses.[3] EAN is a direct subsidiary of Global Crossing Ventures, Inc., a Delaware corporation that is an indirect wholly-owned subsidiary of GCL. Following the consummation of the Amended Transaction, EAN will be indirectly wholly owned by New GX.

The proposed transfer of EAN raises no new issues as it merely increases the number of licenses to be transferred as a result of the Amended Transaction. Therefore, the public interest discussions in Applicants' prior submissions show that the transfer of EAN is in the public interest.[4] Similarly, because EAN holds the same type of licenses as Global Crossing North American Networks, Inc., the proposed foreign ownership is in the public interest under section 310(b)(4).[5] Denial of the requested relief would likely result in EAN being excluded from the Amended Transaction and would require EAN's customers to find another service provider.

Applicants submit that the additional of EAN is a minor amendment that does not require public comment beyond the 30 days required for common carrier radio licenses or on issues other than those raised by this submission. The Commission should not permit this minor

[2] On June 17, 2003, EAN filed Form 603 requesting the transfer of control of EAN to GCL (ULS File No. 0001351238) and on June 18, 2003, EAN filed Form 601 requesting Special Temporary Authority ("STA") for that transaction (ULS File No. 0001352905). The STA was granted on June 24, 2003. The same day, EAN filed Form 603 requesting the *pro forma* assignment of its common carrier radio licenses to Equal Access Networks, LLC (Debtor-in-Possession). (ULS File No. 0001359746). The assignment was granted on June 26, 2003 and consummated on June 27, 2003.

addition to the Application to be used by commenters to revisit the substantive issues already addressed in this proceeding.

For the above reasons, Applicants respectfully request that the Commission promptly conclude its review of the Amended Transaction and grant the Application for Consent to Transfer Control and Petition for Declaratory Ruling as amended.[6]

Respectfully submitted,

DESCRIPTION OF TRANSACTION AND PUBLIC INTEREST STATEMENT

The instant filing is part of a larger transaction to transfer control of the FCC-licensed subsidiaries of Global Crossing Ltd. ("GCL") to GC Acquisition Limited ("New GX," and together with GCL, the "Applicants"). *In re Global Crossing Ltd., et al.*, IB Docket No. 02-286, Application for Consent to Transfer Control and Petition for Declaratory Ruling (filed Aug. 22, 2002) (the "Application"). On May 13, 2003, the Applicants filed their Third Amendment to the Application (the "Third Amendment"), which requested approval for an amended ownership structure for New GX by which Singapore Technologies Telemedia Pte Ltd ("ST Telemedia") would obtain a 61.5% interest in New GX (the "Amended Transaction").[1] The Application and Third Amendment include a Petition for Declaratory Ruling requesting Commission approval for indirect foreign ownership of Global Crossing North American Networks, Inc. ("GCNAN") in excess of 25%. GCNAN is an indirect subsidiary of GCL that holds common carrier radio licenses.

A. Description of the Instant Transaction

Equal Access Networks, LLC (Debtor-in-Possession) ("EAN")[2] is a Delaware limited liability company that provides wireless voice and data services to business customers located primarily in western Massachusetts and New Hampshire. EAN holds twenty (20) common carrier point-to-point microwave licenses.

EAN is a direct subsidiary of Global Crossing Ventures, Inc. (Debtor-in-Possession") ("GC Ventures"), a Delaware corporation with its principal place of business in Pittsford, New York. GC Ventures, in turn, is an indirect wholly-owned subsidiary of GCL. Upon consummation of the

---

[1] Copies of the Application and Third Amendment are included with this filing as Exhibits B and C, respectively. The remaining 38.5% interest in New GX will be held, in the aggregate, by pre-petition creditors of GCL and its debtor subsidiaries. The Amended Transaction also contemplates the issuance of stock options to New GX's future management that will dilute the holdings of ST Telemedia and the creditors.

[2] On June 24, 2003, EAN filed an application for the *pro forma* assignment of its common carrier microwave licenses to reflect its debtor-in-possession status. ULS File No. 0001359746.

Amended Transaction, EAN and GC Ventures will be indirect wholly-owned subsidiaries of New GX. New GX's proposed future ownership was described in the Third Amendment.

B. Requests for Approval to Transfer Control of EAN and for EAN to Have Indirect Foreign Ownership in Excess of 25%

Applicants only recently became aware of GCL's controlling interest in EAN and the regulatory implications of the licenses it holds, and submitted this filing as soon as all pertinent facts were ascertained and other procedural steps were completed.[3] Applicants ask that the Commission consolidate this filing with the Application and Third Amendment and authorize the transfer of EAN from GCL to New GX as part of the Amended Transaction described in the Third Amendment. Applicants also ask the Commission to issue a declaratory ruling authorizing EAN, pursuant to section 310(b)(4) of the Communications Act, as amended (the "Act"), 47 U.S.C. § 310(b)(4), to have indirect foreign ownership in excess of 25%. Specifically, Applicants request that New GX, EAN's future parent company, be permitted to have the ownership structure described in the Third Amendment.

C. The Transfer of Control of EAN to New GX and the Proposed Indirect Foreign Ownership Are in the Public Interest

Applicants regret the lateness of this filing and any resulting inconvenience to the Commission. However, Applicants submit that the public interest arguments made in the Application and Third Amendment with respect to the transfer of GCL's subsidiaries that hold Section 214 authorizations, cable landing licenses, and common carrier radio licenses apply equally to EAN and demonstrate that the transfer of EAN to New GX is in the public interest.[4] Similarly, as with the proposed indirect foreign ownership of GCNAN, the proposed indirect foreign ownership of EAN is in the public

---

[3] On June 17, 2003, EAN filed Form 603 requesting the transfer of control of EAN to GCL (ULS File No. 0001351238) and on June 18, 2003, EAN filed FCC Form 601 requesting Special Temporary Authority ("STA") for that transaction (ULS File No. 0001352905). The STA was granted on June 24, 2003. The same day, EAN filed Form 603 requesting the *pro forma* assignment of its common carrier radio licenses to Equal Access Networks, LLC (Debtor-in-Possession) (ULS File No. 0001359746). The assignment was granted on June 26, 2003.

interest under section 310(b)(4).[5] Denial of the requested relief, on the other hand, is not in the public interest, as it would likely result in the assets and customers of EAN being excluded from the Amended Transaction, and would require EAN's customers to find other providers of the telecommunications services that they currently receive from EAN.

[5] Application at 25-26; Third Amendment at 3 n. 6. New GX will be in compliance with the direct foreign ownership limits of sections 310(b)(2) and 310(b)(3) of the Communications Act following consummation of the Amended Transaction because it will not directly hold any broadcast, common carrier, aeronautical en route, or aeronautical fixed licenses. Once the Amended Transaction is consummated, EAN will become an indirect, wholly-owned subsidiary of New GX and will remain the licensee of its common carrier microwave stations.
