Re: WT Docket No. 02-55
Ex Parte Presentation

Dear Ms. Dortch:

On Friday, April 2, 2004, Robert S. Foosaner, Senior Vice President, Nextel Communications, Inc. ("Nextel"), Barry West, Nextel's Executive Vice President and Chief Technology Officer, Paul Saleh, Nextel's Executive Vice President and Chief Financial Officer, and I met with Commissioner Kathleen Abernathy and her Senior Counsel, Jennifer Manner, regarding the Commission's above-captioned rulemaking on public safety communications in the 800 MHz band. During the meeting, Nextel's representatives discussed issues raised by Nextel in its submissions in this proceeding, including the urgent need to adopt the Consensus Plan as a means of resolving CMRS – public safety interference and providing additional spectrum for public safety communications.

Pursuant to section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. § 1.1206(b)(2), this letter is being filed electronically for inclusion in the public record of the above-referenced proceeding.

Sincerely,

/s/ Regina M. Keeney
