Re: Notice of *Ex Parte* Presentation; 800 MHz Public Safety Interference Proceeding; WT Docket No. 02-55

Dear Ms. Dortch:

This is to notify you that on June 8, 2004, on behalf of Southern Communications Services, Inc., d/b/a/ Southern LINC ("Southern"), I spoke by telephone with David Furth of the Wireless Telecommunications Bureau to discuss Southern's concerns, as expressed in its submissions in this docket, concerning relocation of its facilities in the commercial portion of the band should the Commission adopt rebanding at 800 MHz.

In accordance with the Commission's rules, one copy of this *ex parte* notice is filed electronically for inclusion in the record of the above-referenced proceeding.

Very truly yours,

/s/ Christine M. Gill
