Re: WT Docket No. 02-55
Ex Parte Presentation

Dear Ms. Dortch:

On Monday, March 24, 2003, Robert Foosaner, Senior Vice President, Nextel Communications, Inc. ("Nextel") and I met with Jennifer Manner, Senior Counsel, Office of Commissioner Abernathy, regarding the Commission's above-captioned rulemaking on public safety communications in the 800 MHz band. During our meeting, we discussed issues raised by Nextel in its February 10 comments and February 25 reply comments on the Consensus Plan, including the urgent need to adopt the Consensus Plan as a means of resolving CMRS – public safety interference and providing additional spectrum for public safety communications. Attached to this letter is a copy of a description of the Consensus Plan that was provided at this meeting.

Pursuant to section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. § 1.1206(b)(2), this letter is being filed electronically for inclusion in the public record of the above-referenced proceeding.

Sincerely,

/s/ Regina M. Keeney
