4. Verizon New York Inc. Special Construction Cases

4.1 Charges for the State of Connecticut (Company Code 5131)

4.1.1 Special Construction Cases Prior to May 25, 1984

The following cases are subject to the regulations specified in 2.1 through 2.8 preceding, with the following exception. When the initial liability period expires, an annual underutilization charge applies to the difference between 70% of the number of original specially constructed facilities and the number of facilities in service at filed tariff rates at that time. For purposes of determining the underutilization charge, any facilities subject to minimum period monthly charges are considered to be in service at filed tariff rates.

There are no special construction cases prior to May 24, 1984 for the State of Connecticut.
