Re: WT Docket No. 02-55
Ex Parte Presentation

Dear Ms. Dortch:

On Thursday, May 27, 2004, Leonard Kennedy, Senior Vice President and General Counsel, Nextel Communications, Inc. ("Nextel"), A. Richard Metzger, Jr., Counsel to Nextel, and I met with John Rogovin, General Counsel; Linda Kinney, Deputy General Counsel; Austin Schlick, Deputy General Counsel; John Muleta, Chief, Wireless Telecommunications Bureau; Catherine Seidel, Deputy Bureau Chief, WTB; David Furth, Associate Bureau Chief, WTB, and Michael Wilhelm, WTB, regarding the Commission's above-captioned rulemaking on public safety communications in the 800 MHz band. In particular, we discussed the Commission's legal authority to address the serious nationwide problem of CMRS – public safety interference in the 800 MHz band. Nextel's representatives also emphasized the urgent need to adopt the Consensus Plan in order to resolve this interference as expeditiously as possible. Nextel's presentation was consistent with its prior written submissions in this proceeding.

Pursuant to section 1.1206(b)(2) of the Commission's rules, 47 C.F.R. § 1.1206(b)(2), this letter is being filed electronically for inclusion in the public record of the above-referenced proceeding.

Sincerely,

/s/ Regina M. Keeney
