(D) (x)

9. Verizon West Virginia Inc. Special Construction Cases

(S) (y)

9.1 Charges for the State of West Virginia (Company Code 5050)

9.1.1 Special Construction Cases Prior to April 1, 1984

This section contains special construction charges for facilities provided to Other Common Carriers in accordance with the Chesapeake and Potomac Telephone Companies Tariff F.C.C. No. 2, Facilities for Other Common Carriers, prior to May 25, 1984. These special construction cases are subject to the regulations specified in 2.1 through 2.8 preceding, with the following exception. When the initial liability period expires, an underutilization charge applies to the difference between 70% of the number of original specially constructed facilities and use number of facilities in service at filed tariff rates at that time. For purposes of determining an underutilization charge, any facilities subject to minimum period monthly charges are considered to be in service at filed tariff rates.

Western Union Telegraph Company

Installation of 100 pair cable stub, 100 pair aerial cable, 100 pair buried cable, and 100 pair building cable and associated termination equipment, in a section between the Beckley wire center, Beckley, West Virginia, and the OCC terminal location, Whitestick Street, Mabscott, West Virginia.

| | |
