**MOTION FOR EXTENSION OF TIME TO FILE REPLY COMMENTS**

Bachow and Associates, Inc. ("Bachow"), by its attorney, hereby respectfully requests a brief extension of time in which to submit reply comments in the captioned proceeding.

Approximately 35 different parties filed over 700 pages of comments in this proceeding addressing several complex legal, regulatory, technical, and economic issues. Bachow is coordinating between various employees and outside consultants to review and evaluate these comments and prepare its reply thereto. Moreover, there were delays in initially making copies of the comments available to the public. While a portion of the comments were available for public inspection and copying immediately after the March 4, 1995, comment deadline, a substantial percentage were not, and it took Bachow a week to obtain a complete set of filed comments. Bachow has been advised that other parties experienced similar delays.

In view of the volume of comments, the number and complexity of the issues involved, and the initial delay in availability of filed comments, a brief three week extension of the reply comment date is fully warranted.
