PP Docket No. 93-253

Dear Mr. Caton:

On September 10, 1997, Joseph Godles, along with Henry Goldberg of Goldberg, Godles, Wiener & Wright and Tom Cheatham and Alex Herman of HeliOss Communications, Inc. ("HeliOss"), met with David E. Horowitz, Herbert W. Zeiler, and Lisa Higginbotham to discuss HeliOss' millimeter wave system and the advantages of permitting point-to-multipoint systems under the rules to be adopted in the above-referenced proceeding. HeliOss' presentation included a written description of its system that HeliOss is not including with this letter because it is proprietary.

Sincerely,

Joseph A. Godles
Attorney for
HeliOss Communications, Inc.
