Stephan Dunifer doesn't go on the air urging rasta-music's BLACK YOUTH to get sleepingbags "in search of the spotted owl"! There are 70,000 acres of eastbay regional parklands (that belong to BLACK YOUTH, too!), but Dunifer wants them as his PAWNS! He doesn't want ANGRY youth to see the light of "JAH", i.e. sleeping in the rain down by the creek...on THEIR public lands!!! Walk across Oakland & into the regional parks by moonlight! This ANTI-hippie bastard wants WAR!!! Not peace, love, & harmony for all mankind! Since his "ECO-WARRIOR" holiness has gotten on the air with his ILLEGAL "backpack radio", how many "gangsta rappers" have seen a cow, petted a horse, fed a lamb, eaten chitlins, or saved a redwood tree! BOOK HIM, DAN-O!!!
