Dearest FCC,

I would strongly urge you, as your confidante and friend, to establish low-power stations such as my favorite KAW-FM, Lawrence, KS, as well as the numerous other stations that have requested broadcasting "permission". Of course you must realize that the more democratic countries such as Korea, Taiwan, etc. have had illegal broadcasts for a long time. That illegal broadcasts (territorially speaking) prompted the democratization in countries such as East Germany, Poland, Romania, etc. Freedom demands nothing less than control of the mass media by the people. It would behoove you to realize this now so I don't have to get out my shoe. Thank You.

Yours truly,
Ron Gant
