Comes Now WAYNE LEON YARDLEY being an Citizen of the
United STATES OF AMERICA. I AM 39 years of Age
And do hereby Submit in good faith my Comments
on RM9242. I hereby STATE THAT
RM9242 is in my opinion in the best of the public
interest in that under the purposed petition it
would be possible for an minority citizen such as
myself to own and operate a business that
could and would address issues of public interests
on an local level; for example the broad cast
of local church services and school events to
those whom can not attend them in person.
Also to entertain with music in a variety
of formats; for example I believe that
styles of music from the early 1900's should
be made available for the elderly and
for youngsters to be educated by the
sharing some of our heritage and cultures.
Local government meetings could be broad cast
to give listeners the chance to make informed
options on various issues. RM9242 would be
an door of opportunity for minority ownership
and further would create more jobs in radio for
such minorities. I pray that this commission
accept and grant its approval upon RM9242.
Pro-se Respectfully Submitted by: Wayne Leon Yardley
