Dear gentlemen:

We the Spanish Community Church (Iglesia Hispana de la Comunidad) at present are operating a non-profit, low powered, 40 watt radio station in our community.

We firmly believe that there is a huge need in the hispanic community for a local radio station. Being that it is both informative and educational and there is no other hispanic radio station at present operating in Manatee and Sarasota counties.

We respectfully request your preferable consideration to this petition and issue us a permit or a license to operate within these two counties. We have approximately 45,000 hispanic inhabitants in our area.

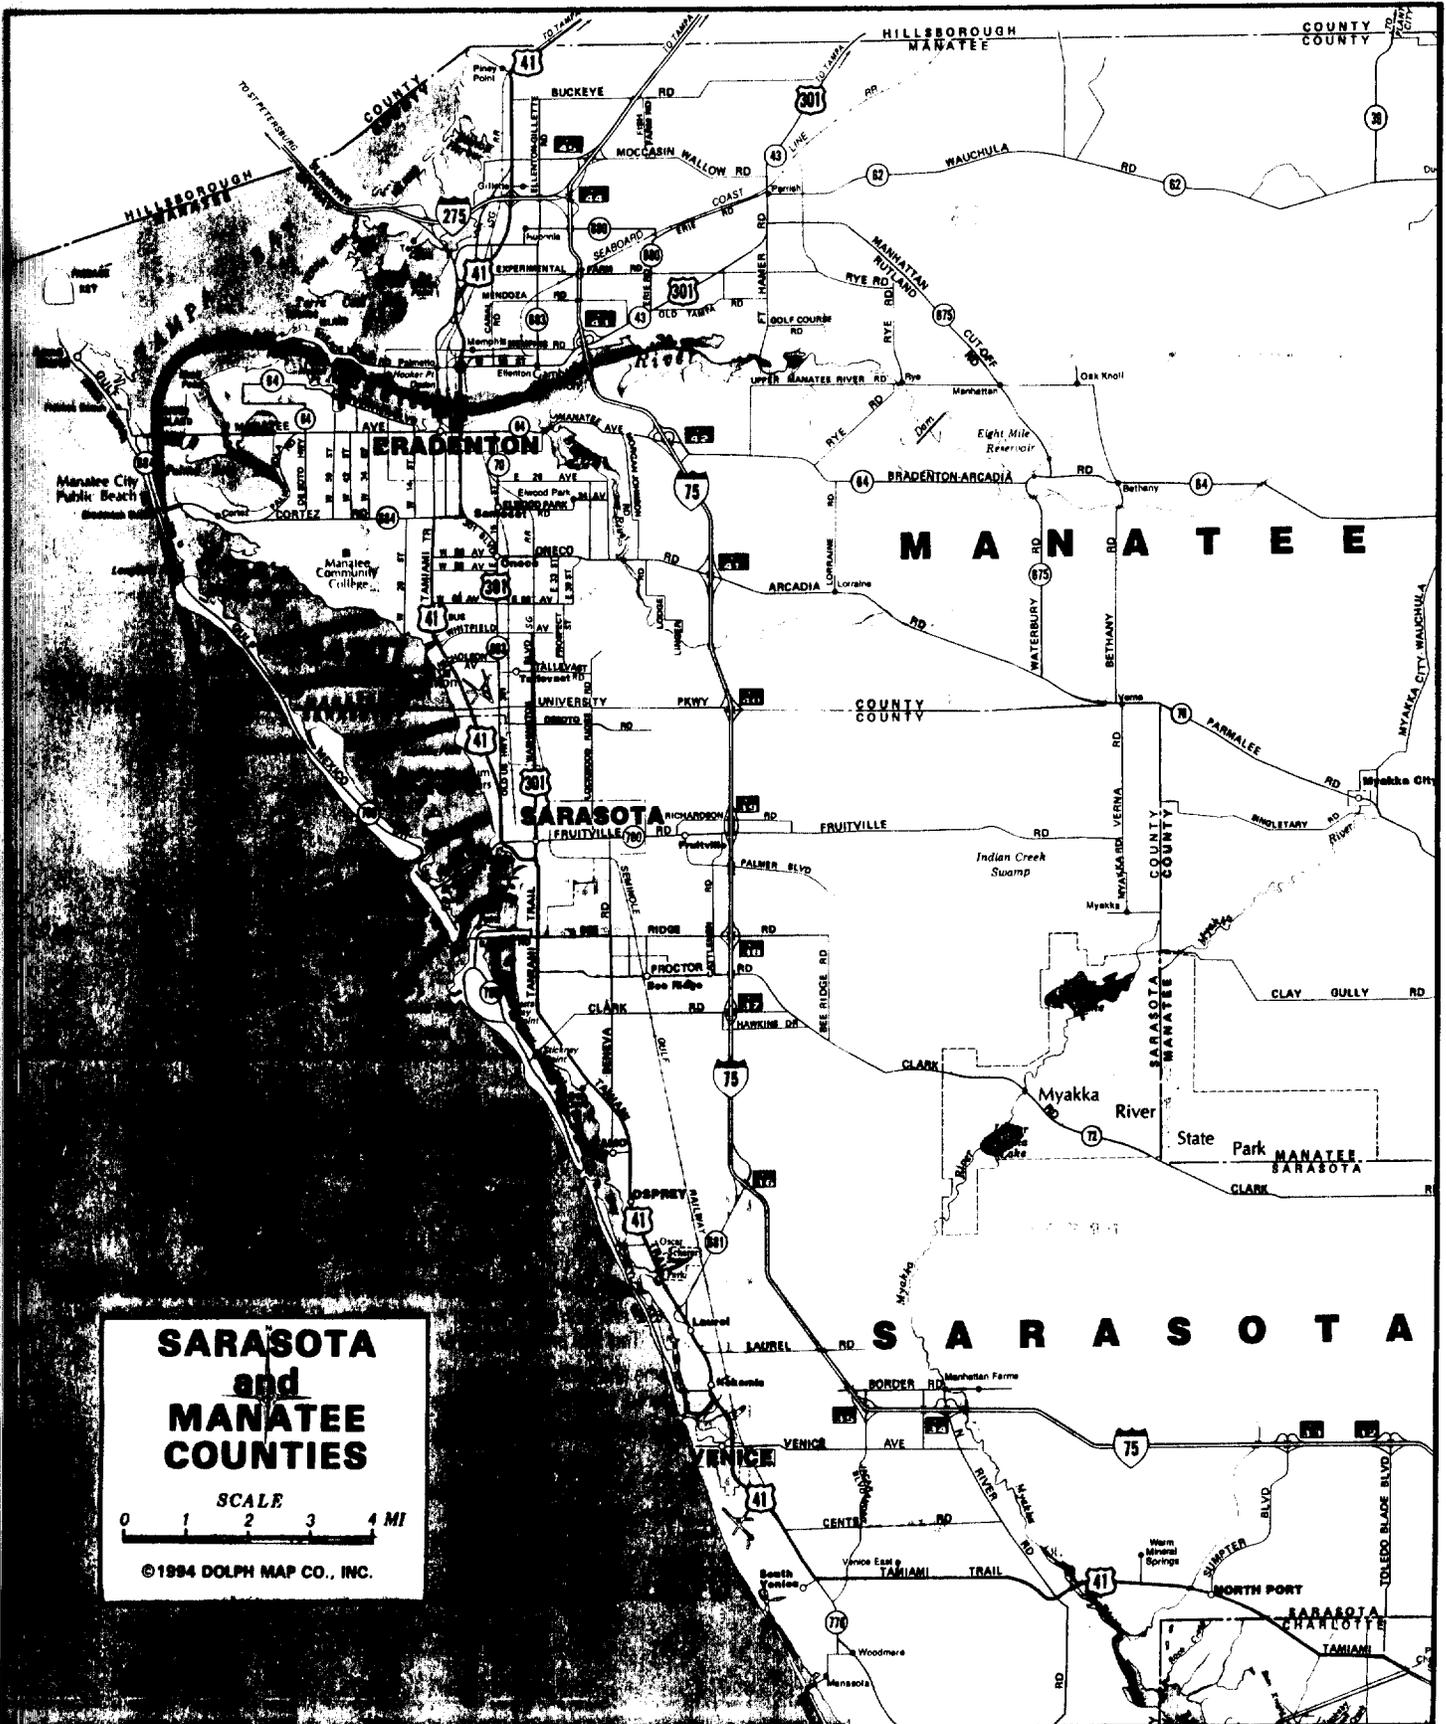

We would very much appreciate your prompt attention to this matter, and will anxiously be awaiting your response.

God bless you,

Rev. Justino Almodovar
