Please find on the enclosed 3.5" computer disc with the Word Perfect file of comments which the Foundation has submitted in writing to Commission. The written comments are in the matter of RM-9242/RM-9208, amendment of Section 73, subpart B, Section 74 et. el. the Petition for rule making concerning Low Power FM (LPFM).

This disc, described as an enclosure with the written comments was inadvertently omitted.

I trust that the disc will find its way to the file with our written comments.

Thank you for your assistance.

Don Worsham, Director, Media Preservation Foundation

DOCUMENT OFF-LINE

This page has been substituted for one of the following:

- o An oversize page or document (such as a map) which was too large to be scanned into the RIPS system.

- o Microfilm, microform, certain photographs or videotape.

- o Other materials which, for one reason or another, could not be scanned into the RIPS system.

The actual document, page(s) or materials may be reviewed by contacting an Information Technician. Please note the applicable docket or rulemaking number, document type and any other relevant information about the document in order to ensure speedy retrieval by the Information Technician.

A handwritten signature in cursive script, appearing to read "Duskette". The signature is written in black ink on a white background.
