Rule RM-9242

One major problem is the enormous entry fee, and all the paper work which is Discriminatory, and Fascism, at a very high level, 97.8% of Woman, Blacks, and Minorities, threw no fault of there own, can not finance a station because of the Discriminatory amount you the FCC charges the fact is all you need is Serveral Hundred Dollars, and a Approved FM frequincey by a Consultant Engineer approved by the FCC, thats it. the re4st is all Fascism covered up in a Democracy by the way is ""a Government by the people, equality of rights, and opportunity and fair treatment. pass a LPFM SERVICE FOR OLGA<WOMAN<BLACKS<AND MINORITYS>
