Dear Chairman Kennard, Commissioner's, and Senate Commerce Committee, Senator Biden, Senator Roth, and Congressman Castle:

FCC have you amended the un-constitutional rule which is if Olga Pays \$2000.00 to A Consultant Engineer to locate a FM Radio Frequency, you the FCC will not award it to another party who has spent'\_\_\_ not a penny' i agree if the fcc puts a frequency on the market then yes every individual has a right to bid on that frequency. i have an idea will one of you loan Olga \$3000.00 to locate a frequency the extra \$1000.00 is for a fcc lawyer to do paper work, and full well know, that 50% chance you will lose frequency to some other entity. i am waiting for answer.
