Before the
Federal Communications Commission

In the Matter of
Proposal for Creation of the Low Power FM
(LPFM) Broadcast Service

FCC RM-9242

To: Federal Communications Commission

Reply-Comments of Randall Woessner

Please enact FCC RM-9242. It is my opinion that the large corporations dominate commercial broadcasting and that this ruling is the only avenue for individuals to enter into broadcasting.

I also feel that the power levels listed in RM-9242 should be maintained. Do not limit the power levels.

This docket is the only visible means that an individual can operate legitimately in any of the major or secondary markets.

Please pass this docket.

Sincerely,

Randall Woessner
