In the Matter of
Proposal for Creation of the Low Power FM (LPFM) Broadcast Service

FCC RM-9242

To: Federal Communications Commission

Reply-Comments of:

On the behalf of a Metro Detroit area band dubbed "The Clown Pounders", I advocate the provisions of RM-9242. Our band does not receive radio airplay from corporate radio stations. Therefore, we support the notion for the relegalization of community radio stations. Additionally, we feel that the legalization of one-watt radio stations would not render itself efficient for local musicians and their music.
