Dear People:

I am writing to ask that you support RM9242. I would like to hear more diversity on our local airwaves and would prefer that it be a truly *local* station, which RM 9242 would help foster.

With the latest waves of corporate takeovers and buyouts, more and more stations are in the hands of fewer and fewer individuals. It time the citizens owned more stations that deal with their issues.

Sincerely,

E. Judge Cohen
