Proposal for Creation of the Low Power FM )  
(LPFM) Broadcast Service )

FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

To: FCC / Mass Media Bureau

Dear Honorable, Senators, and Congressman:

I as a Constituent, Request you to hold Hearings on the FCC for Violations of the Communications act's of 1927 & 1934, in which they have Discriminated Against 99.9% of the American People

The Communications Act's stated explicitly, 3

LAWs: the FCC has Broken  
all 3 Laws, AS NOTED:

1. Stop Chaos: Theres more Chaos now then ever when The FCC lets the NAB have power levels of 10,25,50,100,150, and 200 Hundread Thousand Watts of Power, the purpose of the Communications Act's where for, when a American is granted a FCC Broadcast License, he is to Serve his Community's Needs And Concerns., the Largest Urban City May require Power Levels of 3000 Watts No More, in other Words there Should be No Radio Station in the United States At this Present Moment with power Levels to Exceed 3000 Watts. the FCC, has broken the LAW for the RICH AND WEALTHY AND THE NAB.

2. POWER LEVELS TO SERVE A COMMUNITY <NOT A WHOLE STATE AND OR STATES>, with power levels of 10 thousand and up to 300 thousand Watts, they serve no body but the NAB, and keep Woman, Blacks, and Other Minoritys From Competing, in the Broadcast Industry, Thanks to shrinking technology prices, LPFM RADIO at 50 WATTS can generate an FM radio signal with as little as \$500 worth of equipment. But seeking a license from the Federal Communications Commission can require an investment of \$100,000 and or up to \$300,000.

3. The FCC will Grant A FCC License Only When The Applicant, will Serve its Community, .this is the Biggest, Crime Aganist the American People and the Communications Act's of 1927 & 1934. They The FCC will not grant a License Below 100 Watts WHY????????, .there is no REASON Except the NAB Said SO,

You As My  
Elected Offical Need To React To This Run Away Branch Of My Government. You Need To, Reveal to the Public, the Crimes For The Last 64 Years:  
By the FCC Commissioners

There Policy Makers  
There Enforcement Branch  
There Attorneys

and any other members of this, very

sad independent branch of my Government

Sincerly

Michigan August 7th 1998, District Court Judge  
Julian Cooke Denied and Dismissed the FCC's  
motion for summary judgement against Rev. Rick unlicensed station has  
operated  
Strawcutter, and Radio Free Lenawee 99.3FM. The  
for years serving  
the local community of Lenawee and the surrounding  
area. FCC's first attempt at delivering a no-knock  
warrant against the broadcaster was foiled last year,  
when sources at the local court leaked information  
regarding the pending raid to Strawcutter's attorney, and  
the media. Pat Edwards, Strawcutter's counsel elaborates  
that the denial of the FCC's motion for summary judgement  
is a victory for 'Microbroadcasters' nation wide. There  
was no order issued by the court enjoining Rev. Strawcutter  
from future broadcasting.
