FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

Dear Chairman Kennard, and Commissioners:

Would you rather live in a Democracy = which is a form of Government, by and for the people: or a Republic = A Political unit and or state where Representatives are elected to exercise the power. We have a Democracy, for the people by the people, which is really, a Fascist Republic Government. Example Independent Branch IRS, FCC and so one.

Lets Forget, about me being a distinctive individual, my comments are harsh you say, well your right, iam fighting for something you the FCC and the NAB have stolen away from Me, my wife Olga, Minoritys, Blacks, and Hispanics Etc. our right to own a radio station, i Have a Station 88.3 FM we play Black Teenage Music and teach about this Music Art Form, which the WHITES have Discriminated aganist it, since its beginning in the late 1940's.

The point is you are stalling around, you lack Courage and you Fear the NAB and Congress, you should step down from your job, in the situation your in, a Fear for your job is not going to help the Disadvantaged.

There is no reason why LPFM can not be ENACTED now, you as the Active Power of the FCC need to get your people and say lets do it now, LPFM.

I hold a very high DISLIKE for You Chairman Kennard, and you Commissioners: Hopefully you will attain some degree of Courage and do what is right

FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

My case is based on Civil Rights ,Bill of Rights,ETC.Violatios,Aganist Me  
And The American Public.

Instead of FCC on Offensive,i put them on Defensive,let them defend  
themselves in Federal Court,Aganist Federal Judge,(i hope he has Courage)

Here is a little more of my suit:  
Your Rules and Regulations do not Adjust or Adhere,to the Custom of  
Laws,Rules,and Regulations,of and entire Nation = The FCC is a Independent  
Branch of Our Government,(as is The IRS),there Rules and Regulation are for  
the entire Nation,(not State or Local) there problem is they don't  
adjust,they Discriminate aganist 99.9% of the American Public,and show  
Partiality,Support,Obliging to the Wealthy,Rich,and Corporate Giants.

i need about another Book to release print of Suit

Joey i have been doing research, on the FCC web Sight, your case is remarkable to say the least, you are the first to take the initiative, by haveing the FCC to expound to a Federal Court, why there Rules and Regulations, refuse to admit everyone except the Wealthy, and Rich, and Corporate Mega Giants.

Good Luck  
i think you can win
