Subject: RM-9242 - You made the right choice.

Dear Chairman William Kennard,

I want to thank you for passing RM-9242 on January 28, 1999. This decision as made by the FCC clearly shows us that the FCC is still able to think clearly on honest matters and issues. By passing RM-9242 you have insured the small communities in America, and have made the statement that "They can retain their local identities." Thank you for not selling-out.

Thank you,
David Pujals
