

Before the Federal Communications Commission  
Washington, D. C. 20554

In the Matter of Proposal for Creation of the Low Power FM (LPFM)  
Broadcast Service  
Docket No. MM 99-25

To: Federal Communications Commission

I support allowing low power (LP-1000 class) stations to be licensed.  
RM-9242 will allow greater diversity in programming and will thereby  
serve a broader spectrum of listeners.

Sincerely,

Nathan J. Baker
