

Please respond to my concern. I am looking forward to hearing from you on what I need to do to apply for the LPFM if you pass it. I want to be able to broadcast local Church events in my community. I have also notified my Congressman Earnest Istook to support this Bill as well. Please consider the proposal that has been made. A lot of time and well thoughtout effort has gone into this. I live in a city where there are 3 stations owned by the SAME person! This is not fair to the rest of us! He controls the market here and what the PUBLIC wants is not what we get here. There is NO money in Gospel Programming and Music, Therefore we are NOT able to afford to purchase an existing station. PLEASE CONSIDER THE LPFM proposal. We are counting on it.....
