

MM DK 99-25 PRM - Low Power FM Radio Service COMMENT: We, as members of the Sun City Hilton Head Resident Communication Committee,* ENDORSE AND APPLAUD your proposed low power FM class licensing at power levels from 1-10 watts. We DO NOT believe this will interfere with the service areas of existing radio stations, but we DO BELIEVE it will encourage community involvement and unity in addition to providing internal information relevant only to us. Members, RCC: Jim Bacon, Roland Faricy, Holly Field, Phylis Giglinto, Gayle Green (Chair), Don Harmony, Clyde Peters, Bob Rasmussen, Maya White, Ed Wiler //signed// by: Gayle B.
