

I like the proposed low-power FM radio license idea.  
I'm confident you'll see past lobbying efforts by big radio corporations  
and pass this.

I've seen things you people wouldn't believe. Attack ships on fire off the  
shoulder of Orion. I watched C-beams glitter in the dark near the Tannhauser  
gate. All those moments will be lost in time, like tears in rain. Time to die.
