**Re: Notification of *Ex Parte* Contact in IB Docket No. 98-172**

Dear Ms. Salas:

On September 24, 1999, Suzanne Hutchings and Wayne Longman of Teledesic LLC, along with Mark Grannis and Evan Grayer of Harris, Wiltshire & Grannis met with various members of the Planning and Negotiations Division and Satellite and Radiocommunication Division of the International Bureau. The purpose of the meeting was to discuss Teledesic's perspective on segmenting the 18 GHz band, and on rules regarding relocation of terrestrial licensees. The presentation summarized comments and reply comments that Teledesic previously filed in the proceeding.

Pursuant to section 1.1206 of the Commission's rules, this letter has been filed electronically with your office. Please contact me with any questions.

Sincerely
