

To FCC Commissioners and Concerned Parties:

I would like this article to be placed into the record. This commentary in our local newspaper shows just why Low Power FM should be passed and implemented. Corporations have taken over the airwaves. Measures should be taken to return radio to the people. JUST WHY DOES ENTERCOM OWN SO MANY RADIO STATIONS IN ONE MARKET??? IT IS TOTALLY BEYOND BELIEF! SOMETHING MUST BE DONE. LPFM MUST BE APPROVED!

Respectfully submitted,

James W. Foster
