William E. Kennard, Chairman  
Federal Communications Commission  
445 12<sup>th</sup> Street, South West  
Washington, D.C 20554

Dear Chairman Kennard:

This is in response to the new Low Power Radio Service being proposed.  
**I fully support the Low Power Radio Service.**

As a Broadcaster in a top 30 market, many of my colleagues in this market are opposed to the Low Power Service. However, I think it is a great idea, it will give the community a voice and present a more diverse radio environment.

Sincerely,

Paula Nelson  
General Manager
