**Re: *Ex parte* Notification - ET Docket No. 98-153  
Ultra-Wideband (UWB)**

Dear Ms. Salas:

On January 9, 2001, I met with Julie Knapp, Karen Rackley, John Reed and Rodney Conway of the Commission's Office of Engineering and Technology to discuss the information TDC submitted in its opening and reply comments to the NPRM in this proceeding. Specifically, we discussed measurement techniques and issues that were included with TDC's reply comments.

Should any question arise concerning this matter, please do not hesitate to contact me.

Sincerely,

Phillip Inglis
