

Low Power FM Cut-Off List LPFM-S-1 includes The Application of The Popular Assembly of New Horizons 3000 And His Successors (Hereinafter "Popular Assembly"; FCC File No. BNPL-20000829ADA). This application is short-spaced to 3rd adjacent station WOWI and should be omitted from the list as were the applications of The Rock Church(BNPL20000901ABN) and Stuart Snyder (BNPL-20000831ABA). These applicants request the same facilities from transmitter sites 5.23 and 3.06 kilometers respectively from "Popular Assembly". All are short-spaced with regard to WOWI under the standards adopted in December 2000 in the Radio Broadcasting Preservation Act of 2000 ("S 3020").
