<p class=MsoNormal>445
12th. Street, S.W.</o:p></p>

<p class=MsoNormal>Washington,
DC 20544</o:p></p>

<p class=MsoNormal><![if !supportEmptyParas]> <![endif]><o:p></o:p></p>

<p class=MsoNormal><![if !supportEmptyParas]> <![endif]><o:p></o:p></p>

<p class=MsoNormal>Dear
Ms. Salas:</o:p></p>

<p class=MsoNormal><![if !supportEmptyParas]> <![endif]><o:p></o:p></p>

<p class=MsoNormal>The
purpose of this letter is to express strong objection to the reallocation of
the Instructional Television Fixed Service (ITFS) frequency spectrum for use in
the next generation of cellular phones, on behalf of Lorain County Community
College (LCCC), license holder WHR777. Our current ITFS system has become a
very useful and dependable tool in providing economical distance education to
the citizens of Lorain County, Ohio. </o:p></p>

<p class=MsoNormal><![if !supportEmptyParas]> <![endif]><o:p></o:p></p>

<p class=MsoNormal>Our
community college services a county of some 495 square miles with a population
of more than 495,000 residents. The county is in transition from a primarily
agriculture and heavy industry work place to a soft industrial business base.
The College's mission has always been to be the primary educational and
training resource for the county. While many ITFS licensees have entered into
partnerships with corporations, to develop various wireless networks, our
primary use of the ITFS frequencies has been educational and community interest
from our initial turn-on date of September 10, 1990. Our four-channel system
delivers various educational content from 8:00 a.m. through 10:30 p.m. seven
days a week. One of our channels delivers this content to four separate cable
companies. These companies reach more than 93,000 subscribers within the county
and LCCC is the only agency that has the ability to provide content to all
cable subscribers within our service area.</o:p></p>

<p class=MsoNormal><![if !supportEmptyParas]> <![endif]><o:p></o:p></p>

<p class=MsoNormal>The
content has grown over the years and the system now serves 12 high schools in
our service district, two remote LCCC sites and several business locations.
This fall semester there were 20 telecourses, 8 live interactive classes and
three web courses with video components that were on the cable broadcast

schedule. Last year, more than 2800 students were enrolled in these courses. Based on fall and spring semester enrollments, we will surpass that number this year. In addition to the educational content there are many public service programs that are provided for county wide distribution such as "The Mayors Round Table", "County Commissioners Monthly Meetings" "FEMA Training", U.S. Department of Education "Satellite Town Meeting" and several LCCC produced student productions. This summer's telecourse schedule will be broadcast exclusively on the local cable systems, as the local PBS station schedule does not meet our semester time table.<o:p></o:p></p>

<p class=MsoNormal><![if !supportEmptyParas]>&nbsp<![endif]><o:p></o:p></p>

<p class=MsoNormal><![if !supportEmptyParas]>&nbsp<![endif]><o:p></o:p></p>

<p class=MsoNormal><![if !supportEmptyParas]>&nbsp<![endif]><o:p></o:p></p>

<p class=MsoNormal>Ms. Magalie Roma Salas<o:p></o:p></p>

<p class=MsoNormal>February 21, 2001<o:p></o:p></p>

<p class=MsoNormal>Page 2<o:p></o:p></p>

<p class=MsoNormal><![if !supportEmptyParas]>&nbsp<![endif]><o:p></o:p></p>

<p class=MsoNormal><![if !supportEmptyParas]>&nbsp<![endif]><o:p></o:p></p>

<p class=MsoNormal>The College's ITFS system has become a very important asset to community education in Lorain County. The loss of this effective and economical delivery system would be a great detriment to the residents of our college district. For this reason I again stress my concern and disagreement with the spectrum reassignment and loss of this effective educational tool to commercial use.<o:p></o:p></p>

<p class=MsoNormal><![if !supportEmptyParas]>&nbsp<![endif]><o:p></o:p></p>

<p class=MsoNormal>Please
feel free to call me if you have any further questions regarding this issue.<o:p></o:p></p>

<p class=MsoNormal><![if !supportEmptyParas]>&nbsp<![endif]><o:p></o:p></p>
