Re: ***Ex Parte Notification***  
ET Docket No. 98-153  
Ultra-Wideband

Dear Ms. Salas:

This is to note that on May 21, 2001, Robert Pettit and I spoke briefly by telephone with Julius Knapp, Deputy Chief of the Office of Engineering and Technology, concerning the status of this proceeding and the timing of the possible resolution of the proceeding. We again urged OET to pursue its dialog with NTIA and emphasized the need to come to a timely resolution of this matter.

Should any questions arise concerning this matter, please contact me.

Respectfully,

David E. Hilliard  
Counsel for Time Domain Corporation
