RE: Notice of Ex Parte Communications
ET Docket No. 00-258

Dear Ms. Salas:

On June 5, 2001, representatives of IPWireless, Inc. met with Mr. Brian Tramont, Senior Legal Advisor to Commissioner Kathleen Abernathy. Representing IPWireless at the meeting were Peter Howley, Chief Executive Officer of IPWireless, and Jeff Blumenfeld, Larry Blosser and the undersigned of this law firm.

At the meeting we discussed IPWireless' state of the art, advanced broadband wireless technology and the impediment that continued regulatory uncertainty in the 2.5 GHz spectrum band is creating for the deployment of this technology today. An original and one copy of this letter are being filed with your office. Should you have any questions regarding this matter, please call me.

Respectfully submitted,

Jeremy D. Marcus
