**Re: ET Docket No. 98-153 -- Revision of Part 15 of the Commission's Rules Regarding
Ultra-Wideband Transmission Systems
*Ex Parte Communication***

Dear Ms. Salas:

Pursuant to Section 1.1206(a)(2) of the Commission's Rules, on behalf of XtremeSpectrum, Inc., I am filing this letter electronically to report an oral ex parte communication in the above-referenced proceeding.

Yesterday, Matt Welborn of XtremeSpectrum, Inc., Ari Q. Fitzgerald, Esq., of Hogan & Hartson, L.L.P., and I met with Julius P. Knapp, Karen Rackley, John A. Reed, and Ron Chase of the Office of Engineering and Technology.

We discussed whether changes to the proposed technical rules would expedite a resolution of the proceeding; urged the Commission to refrain from imposing a licensing regime on ultra-wideband communications systems; and argued against the need for a Further Notice in the proceeding..

A copy of our meeting outline is attached.

If there are any questions about this submission, please call me at the number above.

Respectfully submitted,

Mitchell Lazarus
Counsel for XtremeSpectrum, Inc.
