Federal Communications Commission
445 Twelfth Street SW
Washington, DC 20554

Re: ET Docket No. 98-153 – Revision of Part 15 of the Commission’s
Rules Regarding Ultra-Wideband Transmission Systems
Ex Parte Communication on behalf of V-COMM, LLC

Dear Ms. Salas:

Pursuant to Section 1.1206(a)(2) of the Commission’s Rules, transmitted herewith electronically is the written *ex parte* report of V-COMM, LLC in the above-referenced proceeding.

This letter and the accompanying V-COMM report are being delivered electronically to Peter Tenhula, Bryan Tramont, Paul Margie and Monica Desai. The V-COMM engineers have been intimately involved in the design and operation of wireless mobile systems since the first “top-30” cellular markets were licensed, and it is imperative that this report be considered before any rash action is undertaken respecting ultra-wideband transmission systems.

Sincerely,

David J. Kaufman
