**Re: Amendment of Part 2 of the Commission's Rules to Allocate
Spectrum Below 3 GHz for Mobile and Fixed Services
ET Docket No. 00-258
Ex Parte Communication**

Dear Mr. Caton:

Pursuant to Section 1.1206(b) of the Commission's rules, I am writing on behalf of NEC America, Inc. ("NEC") to notify you of three *ex parte* meetings that occurred at the Commission on February 6, 2002 in connection with the above-referenced proceeding. The meetings were held to discuss NEC's comments and reply comments previously filed in this docket. NEC is a manufacturer of private branch exchange ("PBX") and key telephone systems that incorporate wireless handset capabilities using spectrum allocated for unlicensed PCS. The attached materials were distributed at the meetings and served as the basis for discussion.

Those participating in the meetings were Monica Desai, Legal Assistant to Commissioner Martin; Rick Engelman of the International Bureau; Lauren Van Wazer from the Office of Engineering and Technology; Charles Rush from the Wireless Telecommunications Bureau; Paul Weismantel of NEC; and Ari Fitzgerald, counsel to NEC.

Please contact me if you have any questions.

Respectfully submitted,

Ari Q. Fitzgerald
Counsel to NEC America, Inc.
