FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Re: *Ex Parte* Notification in ET Docket No. 98-153.

Dear Mr. Caton:

On February 6, 2002, Mary Jo Manning and I, on behalf of Time Domain Corporation, contacted Deputy General Counsel John Rogovin by telephone to discuss the above-captioned proceeding. We reiterated the need for Commission action in this proceeding to adopt operational standards that would allow for the commercial development of ultra wideband technology and the Commission's authority to take such action pursuant to the agency's authority under Titles I and III of the Communications Act of 1934 and, in particular, Section 302 of the Act.

In accordance with the Commission's rules, an original and one copy of this notification are being filed. If you have any questions or would like anything further, please let me know.

Sincerely,

Robert L. Pettit
