Re: Improving Public Safety Communications in the 800 MHz Band
WT Docket No. 02-55

Dear Mr. Caton:

On March 28, 2002, Laura L. Smith, Donald J. Vasek, Ray Wisniewski, Ila Dudley, Karin Norton and Jeremy Denton of the Industrial Telecommunications Association, Inc. (ITA) held a brown bag luncheon at ITA's offices with Commissioner Kathleen Abernathy, Bryan Tramont and Kristina Tompkins to discuss the above-referenced *Notice of Proposed Rulemaking*. At the meeting, ITA outlined the direction that the private mobile radio industry is currently vetting in an attempt to solve the 800 MHz interference problem.

Sincerely,

/s/ Jeremy Denton
