Dear Ms. Dortch:

On June 27, 2002, on behalf of ICO Global Communications (Holdings) Ltd., I met with the following persons in the Wireless Telecommunications Bureau: Kathleen Ham, deputy bureau chief; Margaret Wiener, chief of the Auctions and Industry Analysis Division; and David Furth, senior legal adviser to discuss the status of the above-captioned proceedings. During the meeting, I emphasized the need for expeditious action in the MSS flexibility proceeding to enable ICO to proceed with system upgrades and its business plan. The parties also discussed possible options for expediting resolution of the proceeding.

In accordance with section 1.1206(b) of the Commission's rules, I am submitting an original and one copy of this letter. If you have any questions concerning this matter, please do not hesitate to contact me.

Very truly yours,

Cheryl A. Tritt
