

OFFICE OF
THE CHAIRMAN

FEDERAL COMMUNICATIONS COMMISSION
WASHINGTON

July 26, 2002

The Honorable W.J. (Billy) Tauzin
Chairman
Committee on Energy and Commerce
U.S. House of Representatives
2125 Rayburn House Office Building
Washington, D.C. 20515

Dear Chairman Tauzin:

Thank you for your July 8, 2002 letter regarding the 800 MHz band. I appreciate your concern about spectral efficiency and harmful interference in the 800 MHz band, particularly as it relates to interference experienced by public safety radio licensees. As you note in your correspondence, the Commission has undertaken a rule making proceeding to resolve interference problems experienced by 800 MHz public safety licensees.

In your correspondence, you request that the Commission provide a detailed accounting of the current licensees in the 800 MHz band and their respective spectrum allotments to the Committee on Energy and Commerce. Commission staff has spoken with Committee staff and assembled the requested data. You will find the requested data enclosed. For your convenience, the staff has placed this data on CD-Rom. Please contact Connie Chapman of the Commission's Office of Legislative Affairs at 418-1903, if you desire paper copies of the data.

I hope that you will find this information responsive to your request.

Sincerely,
