FCC Files No. BTC-20020723BTC, et al.  
MM Docket No. 02-235**

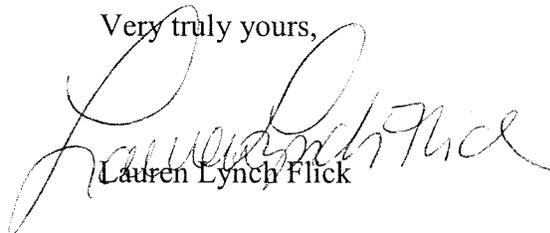

---

Dear Ms. Dortch:

Transmitted herewith is a Certificate of Amendment to the above pending applications for the transfer of control of the broadcast stations ultimately owned by Hispanic Broadcasting Corporation to Univision Communications Inc. The substance of the amendment relates to all of the pending applications. Given the volume of filings that would result from amending each application individually, Univision has been advised by the FCC's staff that a single, paper-filed amendment is acceptable.

Please direct any communications regarding this matter to the undersigned.

Very truly yours,

Lauren Lynch Flick

Certificate of Amendment

I, Robert V. Cahill, Vice Chairman and Secretary of Univision Communications Inc., proposed transferee of Tichenor License Corporation et al., licensee of radio station KGBT(AM), Harlingen, Texas, et. al, in FCC File Nos. BTC-20020723ABL, et. al., MM Docket 02-235, hereby amend the transferee's portion of the pending applications as follows:

1. Pursuant to Public Notice DA 02-2049 (released August 22, 2002), the response in Section IV, Question 5 is changed from "yes" to "no." See Licensee's response in Section III, Question 3.

2. Transferee's Exhibit 16 is amended as attached with respect to the percent of votes in UCI that will be held by Clear Channel Communications, Inc. post-merger and to note the resignation of directors previously elected to the Board of Entravision Communications Corporation by UCI, as well as to update the company's current broadcast holdings.

Respectfully submitted,

Robert V. Cahill  
Vice Chairman and Secretary

**OWNERSHIP STRUCTURE AND INTERESTS**

Overview

Univision Communications Inc. ("UCI") is the licensee of television broadcast stations and, through two principal subsidiaries, Univision Television Group, Inc. ("UTGI") and Telefutura, is the ultimate parent of the licensees of some 35 additional television broadcast stations. UCI's ownership structure and direct broadcast interests are described in Section I below. UCI's interests held through UTGI are described in Section II below. UCI's interests held through Telefutura are described in Section III below.<sup>1</sup>

I. Univision Communications Inc.

UCI is a publicly-traded company, and no single person or entity holds 33% or more of the debt/equity of the company. A. Jerrold Perenchio is and will remain the single majority shareholder, with a 57.00% voting interest in UCI post-merger, by virtue of the fact that his Class P common stock is entitled to 10 votes per share so long as he continues to own at least 30% of the shares he held on October 2, 1996.

Grupo Televisa, S.A. and Venevision Investments LLC are shareholders of UCI which are each represented by a director on the Board of Directors and which are controlled by non-U.S. citizens. In addition, each entity holds non-voting stock and certain warrants allowing it to increase its holdings to the extent that it is lawful for such a foreign entity to do so. In the past, the Commission has routinely approved interests such as these held by foreign entities. See Univision Holdings, Inc., 7 FCC Rcd 6672, 6673-74 (1992); FCC File Nos. BTCCT-96062811D through BTCCT-960628IN and BTCCT-960628IP through BTCCT-960682IV.

As noted in Transferor's Exhibit 5, Clear Channel Communications, Inc. holds Class B non-voting stock in the Transferor which will be converted to a 3.66% voting interest in UCI upon closing.<sup>2</sup>

Certain officers and directors of UCI also hold positions as officers and directors of the broadcast subsidiaries discussed herein.

---

<sup>1</sup> It is noted that, at the time of the instant filing, UCI also has an attributable interest, including a 9.86% voting interest, in Entravision Communications Corporation, the ultimate parent of licensees of radio and television stations. Prior to the consummation of the transaction proposed herein, however, the UCI interest will be converted to a non-voting, non-attributable stock interest. Directors previously elected to the Entravision Board by UCI have resigned. As UCI will not have an attributable interest in Entravision at the time of consummation, Entravision's broadcast station ownership interests are not addressed further herein.

<sup>2</sup> Under the alternative merger mechanism, the HBC Class B stock would be converted to non-voting UCI Class B stock.

UCI is the licensee of KAKW(TV), Killeen, Texas (FIN: 148) and KNIC-CA, San Antonio, Texas (FIN: 48837), and the proposed assignee of KPXF(TV), Porterville, California (FIN: 35512). See FCC File No. BALCT-20020730ABO.
